

Archetypes in Crisis

How will your Archetypes respond during challenging times? Unconsciously behaviors may be reactive, but with awareness, each Archetype can be resilient.

	Trigger	Reaction	Resilience
Stability			
	Unmet needs	Exhausted by need	Build supportive networks
	Pressure to create fast	Won't collaborate	Facilitate new ideas
	Chaos, lack of order	Demanding	Step up, take charge
Results			
	Unending challenges	Bully, defensiveness	Take bold action
	Vision is clouded	Impossible expectations	Help others see potential
	What's not working	Destructive	Overhaul, lead revolution
Belonging			
	Unfairness	Blame and complain	Share the struggle
	Seriousness	Insensitivity	Laughter as medicine
	Lack of connection	Drama, neediness	Find ways to express love
Learning			
	Lack of freedom	Become disconnected	Open new paths
	Change, uncertainty	Fear about who to trust	Raise optimism, hope
	Lack of facts, expertise	Naysay	Ask important questions
